This genuine full grain leather collar is the best option for daily use, hikes & long walks, where you want to allow your dog to roam freely. It's made of real leather that has a light pull-up with a mellow supple tannage and can withstand dogs up to 150lbs. It features a classic and practical design that adds a unique touch and style to the collar and provides a comfortable pull.

We use only chemical - free vegetable tanned leather to avoid allergies. In addition, this leather really becomes beautiful overtime and becomes better with time.

For this collar, we use high quality antique color hardware, which are safe, durable and will not cause allergies. Each collar goes through dozen of steps to ensure a collar that lasts forever and makes your dog look amazing.
